Special medecations, instructions, allergies, or other important info:

I understand that my child will be attending the G3 youth group activity which may include the transportation of my child in a car, truck, boat, or SUV. It may also include some activities like paintballing, rock climbing, skiing, boarding, or skating that are inherently dagerous and can be harmful if the persons involved do not use common sense and exercise sound judgement. I give my permission for my son/daughter to participate. I/We release G3/ROL and its representatives from and in connection with any claim brought by anyone arising out of any event or the transporting of my youth/child. I/We furthermore give our permission for any medical treatment deemed necessary while said child/youth is under the care of G3/ROL and its representatives as a participant. If participant is under 18 years of age, please have parents sign, or sign yourself, if 18 yoa. The purpose of the medical release is in the case immediate treatment is required for your child/youth and we are unable to contact you. Attempts will be made to contact you should any decisions for medical treatment be made.
